

Oreo Moon Phases

Science Log – 4th Grade -Earth Space Systems

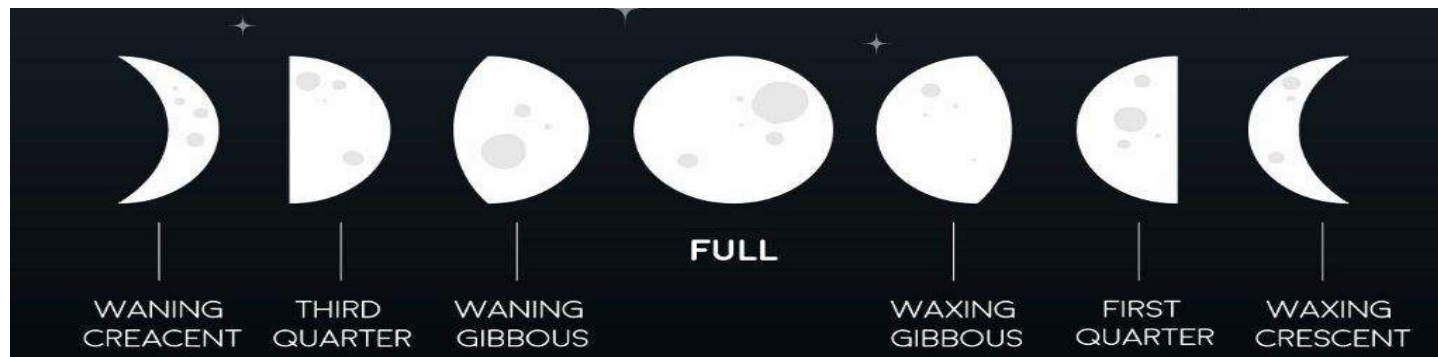

Oreo Moon Phases

Materials: Oreo Moon Phases Worksheet, 6-8 pack Oreos, spoon/knife/popsicle stick, glue

Directions:

1. Review the 8 phases of the moon below.
2. Gently twist open the Oreo cookies to open them.
3. Remove enough cream to make the cookie look like a phase of the moon using a knife, spoon, or popsicle stick..
4. Place the cookies in the empty circle that matches that moon phase on the worksheet.
5. Repeat until each moon phase has been completed.

MOON PHASES

Constellation

Materials: Pipe cleaners, star beads

Directions:

1. Choose a constellation card.
2. Use a pipe cleaner and star bead to build a model of that constellation
3. Repeat as desired
