

Adventure Summer Camp Counselor

Blue Sky Fund's summer camp program serves 12 middle school age students for 5 weeks during the summer. We provide day programming from 8:30am to 3:30pm with two overnight camping trips during the third and fifth weeks of camp. Our twelve participants will have previously been involved in Blue Sky Fund's weekly Outdoor Adventure Clubs through their school or after school program.

Summer camp runs on the follow dates:

Week 1: Monday 6/25 - Friday 6/29

Week 2: Monday 7/2 - Friday 7/6

Week 3: Monday 7/9 - Friday 7/13 (Overnight camping trip Thursday-Friday)

Week 4: Monday 7/16 - Friday 7/20

Week 5: Monday 7/23 - Friday 7/27 (Overnight camping trip Thursday-Friday)

Our summer camp program consists of a variety of outdoor activities including, but not limited to, hiking, camping, biking, canoeing, swimming, rock climbing, and team building games. The small program size allows flexibility in programming each week based on the interests of the participants and staff. Because we serve the same 12 participants each week, campers are given the opportunity to grow their skills in a particular activity week after week.

The Summer Camp Counselor is expected to work all five weeks of camp. Additional time prior to the first week of camp and after the last week of camp for training, planning, and wrapping up will be scheduled as needed based on the staff's availability.

Camp programming runs from 8:30 to 3:30pm Monday-Friday. Staff hours are generally 8am-4pm Monday-Friday, except for overnight trips.
